Dear Mr. Allen:

Re: Proposed Second Century
Territory Annexation to
the City of Inglewood

At the meeting held on July 20, 1960, the County Boundary Commission reviewed the boundary description and map submitted by you, with your letter of June 28, 1960, of the proposed annexation of territory to the City of Inglewood.

This annexation overlaps the proposed incorporation of the City of West Lennox, as approved by the Commission on August 19, 1959, and overlaps the proposed "Grevillea Territory" annexation to the City of Inglewood, as approved by the Commission on January 27, 1960.

Although the boundaries submitted do not create islands or corridors of unincorporated territory and conform with record lines and lines of ownership, upon recommendation of the County Engineer, revisions were made in the boundary description to provide the definiteness and certainty intended under the provisions of Section 35002 of the Government Code.

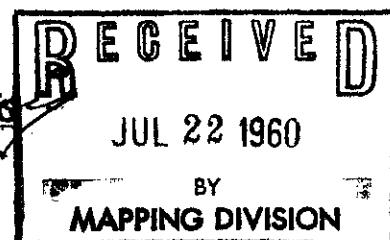

With these revisions, the Boundary Commission approved the boundaries of the above proposed annexation. A copy of the approved revised legal description and a list of special districts involved are enclosed for your use.

Very truly yours,
